Dear District Attorney Morrissey,

I am writing to inform you that we are currently investigating a possible breach of protocol with respect to ninety drug samples tested at the William A. Hinton State Laboratory Institute. These ninety samples were received exclusively from Norfolk County and assigned for analysis on the same day. Attached is a list of the control numbers for the samples identified in the investigation.

The Commonwealth of Massachusetts
Executive Office of Health and Human Services
Department of Public Health
250 Washington Street, Boston, MA 02108-4619

At this time, there is no evidence that this had an impact on the integrity of the samples or the accuracy of the sample analysis. Please be assured that measures were immediately taken to ensure proper compliance with protocol procedures.

Additional information will be provided upon completion of the investigation.

Sincerely,

UNAWAA
